ANNUAL FUND CHAIR, 2009-10

Dr. Eric White, Class of 1986, thrives on optimism and the advancement of Optometry. Patients encounter an upbeat office environment at his successful practice in San Diego, California. A consultant to advisory boards and numerous professional optometric organizations and a mentor for students of the San Diego Pre-Optometry Clubs on the UC and CSU campuses, he has participated in over 250 clinical studies as an investigator for several contact lens companies, and has published articles and lectured extensively on contact lenses in the United States. Eric has served as President of the San Diego County Optometric Society; Prevent Blindness America, Southern California;

and the Lions Optometric Vision Clinic in San Diego and was AOA's Young O.D. of the Year in 1995. He's active in his church as a Sunday School Teacher and Small Group Leader and is on the local Boy Scouts' Eagle Board of Review. During the devastating San Diego wildfire in 2007, he collected ophthalmic supplies and rallied fellow optometrists to provide vision care for the victims. The College gratefully acknowledges Eric's tenures as the Class of 1986 Agent, since 1991, and as the 2009-10 Annual Fund Chair.
